

GROUPE
ECOCERT

Act for responsible cleaning products

A reference player in organic certification in France and internationally since 1991, Ecocert offers a quality service to assess and promote natural detergents and those made with organic ingredients.

An expert in organic and natural certification

Why choose us?

- ▶ **Pioneer** in multi-sector environmental certification.
- ▶ **The guarantee to access the growing organic and natural market.**
- ▶ **Personalised support** from experts in your field of activity.
- ▶ **An internationally recognised brand** with operations in over 130 countries.
- ▶ **A company committed to CSR** through our businesses and our daily actions to respect the environment.

Opt for Ecocert certification

Are you a manufacturer of finished products or a brand owner?

You wish to :

- ▶ **promote your** natural or organic products,
- ▶ **act to protect the environment,**
- ▶ meet consumers' expectations and create a bond of trust with **safe and sustainable cleaning** products?

Ecocert offers **solutions tailored to your needs**, whether you are a large group, a small company or a Subject Matter Expert.

Did you know?

83%* of French people prefer to use household products with natural ingredients.
