

**THE SNUBBER**  
PROTECTS YOUR BOAT

[WWW.THESNUBBER.COM](http://WWW.THESNUBBER.COM)

## Snubber TWIST

- *Safe and convenient mooring*

- Absorbs mooring line shocks
- Reduces stress on your boat and the dock cleats
- Fits different line types and diameters, including ties
- Attached in seconds while the line is tied on both ends
- Made to last severe weather conditions
- Does not lose color or leave marks on your boat
- For 2,000kg - 6,000kg boats
- Colours: silver gray, navy blue, red, white, and black

## Snubber FENDER

- *Versatile fender fastener*

- Easy-to-use
- Attach in seconds
- Adjustable height
- Fits all different railing types
- Rubber-like durable material
- Does not slide along the railing or clunk around your boat
- Colours: silver gray, navy blue, red, white, and black

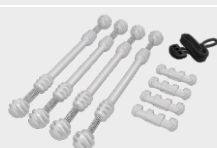

## Snubber PULL - *Pulling rope*

- Handling strap for a rowboat or other small vessel
- Firm and comfortable grip
- Attaches safely in seconds
- Does not clunk or leave marks on your boat
- Use temporarily to ease the docking of a larger vessel
- Handy tool for other uses, such as lifting heavy bags

### Snubber product collections - [thesnubber.com](http://thesnubber.com)

We sell other boating equipment, including docking lines and fenders.
