

# *boatasy*<sup>™</sup> HOOKLINKER

**Boatasy HOOKLINKER** is a mobile all-in-one **multipurpose boathook link** unit which, together with stainless steel spring snap hook, LED flashlight, and holder for Boatasy<sup>®</sup> GHOOK, **guarantees a complete and quick mooring or docking experience.**

Depending on whether you are mooring on the buoy, lazy lines, rings, etc., you can easily plug them on its holders.

Moorings and dockings are now done **with less stress and efforts**, making Hooklinker an **ideal solution also for the less-experienced crew or solo sailors.**

# boatasy™ HOOKLINKER
