water restriction period

dry  
**Cleaner  
Glosser**  
for all surfaces

**NO WATER  
2**

# Dry cleaner glosser for all surfaces

## NO WATER 2

**NO WATER 2** is a preparation based on a combination of moistening and degreasing agents of vegetable origin, wax and protective additives.

**NO WATER 2** is silicone free.

**NO WATER 2** is a **MULTIFUNCTIONAL** product:

- Degreasing
- Dust removal
- Protective effect (anti-fouling)
- Restores shine

**NO WATER 2** removes dust, grime, and greasy marks and also the tarnish haze deposited on gelcoat, painted surface, plastics, light alloys, stainless steel...

**NO WATER 2** brings back shine and revives colors without rubbing.

**NO WATER 2** leaves a water-repellent protective film on the treated surface which delays stains.

### Instructions of use :

Before use, always shake well the bottle.

Spray directly onto small areas about 10-15cm from the surface.

Let act a few seconds and spread using a dry lint free cloth.

Wipe off without excess pressure.

Then, gloss with a clean and dry soft rag.

Coverage : 15 to 20 m<sup>2</sup> per litre
