

QINGDAO **POLARIS** YACHT PROPELLER FACTORY

青岛北极星游艇螺旋桨厂

Take Science And Technology As Power To Beg Existence By Quality

卓越 品质自然超群

POLARIS GROUP

Introduction

POLARIS is professional manufacturer on yacht propeller, needle for non-woven, card clothing as well as other textile accessories especially for international supplying which combined by Qingdao Polaris yacht propeller factory, Polaris needletex limited and Qingdao hongshixin trading co. , Ltd. POLARIS GROUP supplies the world-class level yacht propellers, needles, card clothing and textile spare parts based on technique research and developing, latest design, high-quality manufacturing and controlling, professional sales and after-sales service.

Build on the strategy of High-tech, Best-Quality, Creative and Innovation, we keep focus on developing new products, expanding new market and filling blank market. With high talent researchers, professional and skilled workers, we are confident to keep supplying better products to world market.

QingDao Polaris yacht propeller factory is professional in technique researching developing, new style designing and manufacturing, sales and after-sale service which founded in 2005. We have high talent researchers as well as skilled and professional workers. We have the ability to produce world-class level of propellers made by aluminum alloy and stainless steel.

With the aim “ High-Tech, Best-Quality, Perfect-Credibility” ,we keep on designing new products, higher quality, expanding new markets and filling up blank markets. We have earned lots of trust and support from our customers. With humility and passion, we welcome all old and new friends.

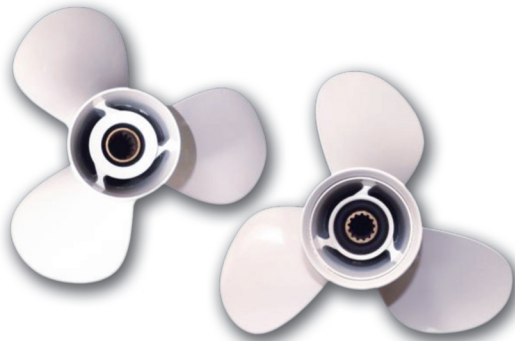

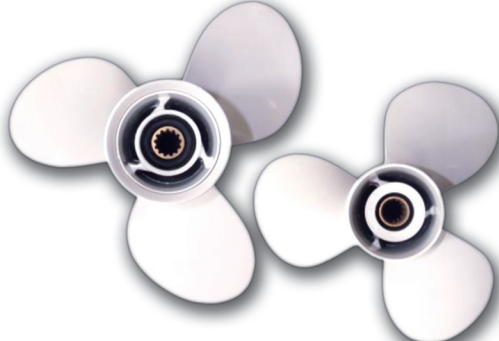

Our yacht propeller factory has abundant expertise in propeller producing with advanced technology and years of experience. We specially produce propellers for yacht brands such as YAMAHA, MERCURY, JOHNSON, HONDA, SUZUKI, TOHATSU, EVINRUDE and SEA-DOO. Meanwhile, we also produce marine anodes and other accessories.
