

SPIROLL-ROPE PROTECTION

- Easy to install and remove
- Protect your lines
- Reduce noise in mooring cleat
- Salt water proof
- Extends the life of your ropes
- UV resistant

Keep your mooring lines and boat safe. Spiroll are designed with a special unique technology that allows the material to automatically roll up itself several times around the rope. The material takes up wear and tear from rocks, concrete docks etc. and reduce noise from mooring cleat. Wrap the Spiroll around the rope, adjust it to the right location and the boat and the mooring lines are protected. Secure and stable.

PRODUCT FACTS

Art nr 1120

BLACK

50 GRAM/1,8 OZ

ROPE 8-16 MM (UP TO 5/8")

LENGTH 400 MM (16")

Art nr 1121

ORANGE

50 GRAM/1,8 OZ

ROPE 8-16 MM (UP TO 5/8")

LENGTH 400 MM (16")

Art nr 1122

BLACK

150 GRAM/5,3 OZ

ROPE 16-25 MM (3/4"-1")

LENGTH 600 MM (24")

Art nr 1123

ORANGE

150 GRAM/5,3 OZ

ROPE 16-25 MM (3/4"-1")

LENGTH 600 MM (24")
