## DULON GLASS CLEAN 50

---

Professional glasscleaner on alcohol based formula.

### DESCRIPTION

Professional cleaner for all types of hard and soft (plastic) panes of glass, perspex, lexane, plexiglass, acrylate, polycarbonate and so on. DULON GLASS CLEAN 50 dries evenly and quickly and does not leave a blue haze.

### HOW TO APPLY

Spray DULON GLASS CLEAN 50 on the dirty surface and allow briefly to take effect before wiping off with a dry cloth or tissue.
