La linea Pro racchiude i prodotti più performanti della collezione. Capi testati in prima persona dagli atleti durante gli allenamenti e le regate. Materiali, tecnologia e dettagli si ispirano al mondo del racing e della vela olimpica.

The Pro line incorporates the collection's most efficient products. Its items have been tested personally by athletes in their training sessions and regattas. Its materials, technology and details are inspired by the world of racing and Olympic sailing.

I campioni scelgono i campioni.

Champions choose champions.

Siamo al fianco di circoli come Yacht Club de Monaco, Yacht Club Costa Smeralda e Yacht Club Italiano. Supportiamo eventi come Barcolana, 151 Miglia e Primo Cup. Siamo sponsor tecnico del Team Azzurra, official licensee delle regate Maxi Yacht, Swan Cup e sosteniamo i giovani campioni classe 470, 420 e Laser.

We sponsor clubs like Yacht Club de Monaco, Yacht Club Costa Smeralda and Yacht Club Italiano. We support events like Barcolana, 151 Miglia and Primo Cup. We are technical sponsor for Team Azzurra, official licensee for the Maxi Yacht and Swan Cup regattas and we also back young champions in 470, 420 and Laser classes.

The Slam logo is displayed in a white, bold, sans-serif font. A small trademark symbol (TM) is positioned at the top right of the letter 'm'. The background of the entire image is a dark, semi-transparent overlay of a photograph showing two people on a boat. One person, wearing a red long-sleeved shirt and a black life vest, is leaning over the side of the boat, holding a black handle or control. Another person, wearing a grey long-sleeved shirt with a blue logo that says 'Alfa TEAM', is also visible. The boat's metal railings and some equipment are visible in the background. The overall tone is professional and nautical.

Tech Features

Anti-slip
Antisdrucciolo

Sailing 3.0

Foiling

Il foil, il terzo modo di navigare dopo le barche dislocanti e plananti, implica esigenze specifiche anche nell'abbigliamento e nella protezione. Per la nuova vela servono capi 3.0.

Foiling is the third mode of sailing after displacement and planing, and it requires specific clothing and protection. This new kind of sail calls for garments 3.0.

Siamo nati a Genova. E nelle nostre vene scorre il mare.

Born in Genova, the sea runs through our veins.
