Unique styling and the ultimate grilling power.

Made in the USA.

AVAILABLE:

KENYON®

Make any day a weekend

Kenyon International, Inc. building quality specialty cooking appliances since 1931.

texan

Two Burner Grill

Professional style grilling with ease of touch control.

The Texan Electric Grill is the flagship of Kenyon's grills. At twice the size of the standard grills, the Texan has dual heat control to provide precision cooking. The double lined lid can also be split to allow the user to tend to one side without losing the heat on the other.

Utilizing (2) 1500-watt elements, the Texan will exceed temperatures of 600°F and produce no smoke without any chance of flare-ups.

Texan Built-in Grill

Model B70425 - with IntelliKEN Touch™ Control

240V AC 50/60Hz - 13 amp. - 3000 watts

4 Piece Grill Utensil Set

Model A70011

Designed specifically for Kenyon, these utensils are made of marine-grade 304 stainless steel and includes spatula, fork, tong, grate cleaning brush and carrying case.

Choose between 2 different touch controls:

New - IntelliKEN Touch™ Control

IntelliKEN is a waterproof touch control system that integrates the latest swipe technology with user-friendly features such as Precision Control (PC) and Direct Temperature Feedback (DTF). Precision Control allows you to select the power setting (1 - 16) best suited for the food being cooked or the temperature you desire (150°F - 550°F). Direct Temperature Feedback (DTF) is our patent pending system giving you the ability to cook by temperature and time. Simply adjust the control to the desired temperature setting, set the timer and your dish is cooked to the correct temperature and time.

Lite-Touch™ Control

Lite-Touch™ is our traditional control. Simply touch the On/Off circle and then raise or lower the heat setting by pressing the (+) or (-) graphic on the sealed moisture proof ceramic glass panel and you are instantly cooking!

The Texan Electric Grill is constructed of the highest quality, marine-grade stainless steel. And as all Kenyon products, backed by uncompromising quality, exclusive 3-year product replacement warranty, and the best customer service in the industry.
