SPOT GEN4

SPOT Gen4 gives you a critical, life-saving line of communication when you travel beyond the boundaries of reliable mobile service. SPOT Gen4 lets family, friends, and colleagues know you are OK, or if the unexpected should happen, sends your GPS location to emergency responders all with the push of a button. Add this rugged, pocket-sized device to your essential gear and stay connected wherever you play or work.

Enhanced TRACKING FEATURES

CUSTOM TRACKING RATE

Select from available tracking intervals of 2½, 5, 10, 30, or 60 minutes and share your adventures in near real-time via the SPOT Mapping Shared View.

CONTINUOUS TRACKING

SPOT Gen4 will send tracks at your chosen interval for as long as your device is turned on and moving (no need to re-set after 24 hours). Tracking doesn't stop until you do!

MOTION-ACTIVATED TRACKING

SPOT Gen4 continuously tracks your location while in motion and vibration sensors tell SPOT Gen4 to stop sending track messages only when you stop moving.

DEVICE Features

HELP

Request help from your friends, family and colleagues at your GPS location.

CUSTOM MESSAGE

Let contacts know where you are by sending a pre-programmed message with your GPS location.

TRACK

Automatically send and save your location and allow contacts to track your progress using cloud-based mapping.

S.O.S.

With the push of the S.O.S. button, SPOT's 24/7 global search & rescue service provides your GPS location coordinates to local authorities for the quickest response to your emergency.

CHECK IN

Let contacts know where you are and that you're okay with a pre-programmed message.
