

Tributes

the most exclusive door handles on the planet

Tribute to... is an ever evolving collection of jewelled handles for doors.
Our mission is to tribute our most exclusive designs to those places and icons we love,
to the luxurious and glamorous life style.

Metals, Diamonds, Crystal Glass, Rare Materials, Advanced Technologies, Contamination, Passion,
Luxury Icons, Craftsmanship and Customization are the ingredients of our recipe.

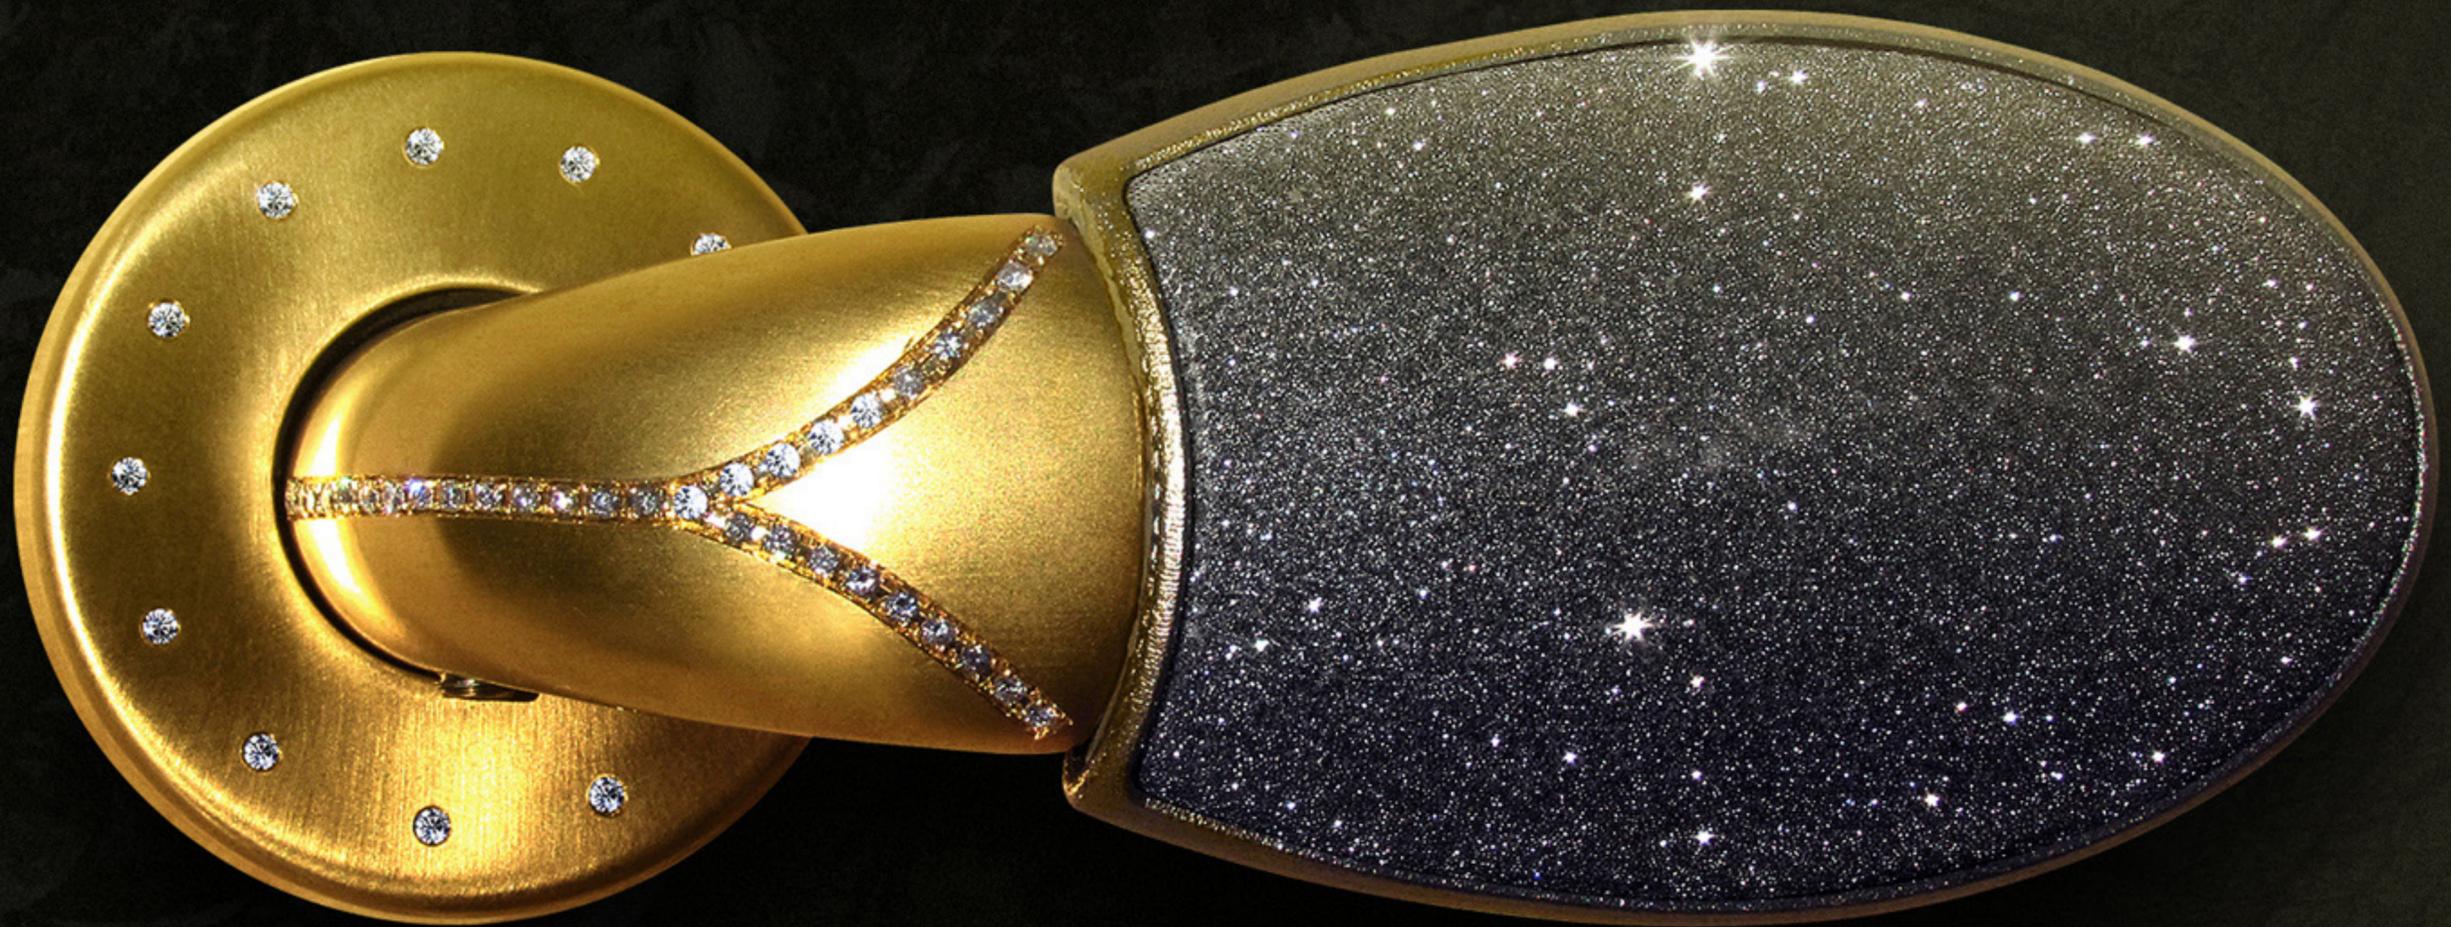

Giangi Razeto

Tribute to Doha

Tribute to Doha 100K

Bespoke jewelled handles with natural precious stones
and gold plated brass

Designed hand in hand with the client
Each design is dedicated to **one** specific client and won't be replicated
The 100K design - featuring gold plated brass, natural diamonds, diamond dust, syntered
titanium back cover - is presented as an example for bespoke projects
