SURE TEX®

textiles to rely on

SURETEX offers best in class materials and essentials for technical textile applications. For spots that matter. Where textiles really make that difference. Like in marine, outdoor, mobility and industrial applications. We supply products that add value in quality, functionality and looks. Making you and your products stand off from the crowd.

SURETEX, a sister company of SUREFAS, operates from Rotterdam, The Netherlands, and is dedicated to service the European technical textile market. It builds on extensive product knowledge, a dedicated team and strong network of reliable distributors and clients.

SURETEX is the exclusive European master distributor for Strataglass® and CrystalClear products, premium quality press-polished clear vinyl sheets.
